### Provincial Council of Québec

Provincial Bulletin  
July 2022

## A word from the President

Cheers,

The return to normality is much appreciated as the majority of Local Councils have resumed their activities. During the summer period there is normally no meeting of the Local Councils, however your association continues its usual work. I draw your attention particularly to two of the important activities, CN Railroaders in the Community and Scholarships, read about it below.

Thank you and have a nice summer,  
Yves G Bourdon provincial president

### SCHOLARSHIPS

**YOUR GRANDCHILDREN AND/OR CHILDREN** could win a \$1500 scholarship

The five university scholarships are intended for second-year CEGEP students who will be pursuing university studies, obviously to all those who are pursuing university studies.

The two trades scholarships are aimed at students of traditional trades, as well as students in professional technique, i.e. three years of CEGEP.

### Railroad workers in the community

Each hour of volunteering entitles you to a donation of \$15, up to a maximum of \$3,240 per active staff member per year (including volunteer hours performed by members of your family) and \$2,250 per retired CN employee per year (including volunteer hours performed by spouses or surviving spouses).

**Incentive Bonus:** If you are a Contributing Member of ARCEN (by paying your \$1 per month membership), CN will give an additional \$100 reward to one of the charities you have volunteered for . This is another great reason to become an ARCEN member, and register your volunteer hours for 2022 in the new platform before December 31st.
